## **Andy Kusma Memorial Award**

Andy's sports career started when he was a shy, young boy in New Jersey playing little league baseball. After relocating to Pennsylvania as a fourth grader, Andy discovered sports as a positive way of interacting with others. Sports would continue to shape his life and the person he became. Andy found positive influences from coaches throughout his sports career and looked to them for guidance.

This scholarship was created by Andy's friends and family with the help of the NPAAA, to help keep his memory and dedication to sports alive, after losing his battle with pancreatic cancer on December 25, 2007. Andy understood the importance of a college education, and the struggle many families have with the growing cost of tuition. It was his dream, to be able to reward the athletes of North Penn Athletics, by allowing them the opportunity to continue their athletic careers while receiving a college education.

In 2008, the North Penn Athletic Alumni Association presented 3 male athletes with the first scholarship in the name of Andy Kusma. The Andy Kusma Scholarship Fund has continued to grow since then, through in-kind donations and proceeds from the Andy Kusma Memorial Golf Tournament, now in its second year.

October 8, 2011

Welcome to everyone attending this evening's Seventh Annual NPAAA Hall of Fame Induction Ceremony.

This year we have an exciting announcement. The NPAAA has now expanded its mission to honor all North Penn High School and Legacy School graduates who have made significant contributions to society in the Arts, Business, Education, Legal, Medical, Performing Arts, Public Service, or the Sciences fields of endeavor. A new and separate "Lifetime Achievement Hall of Fame Wall of Honor" has been established and installed.

Since the NPAAA was established in the Year 2000, we have successfully awarded 39 scholarships to outstanding senior class male and female student athletes. Please visit the KnightSite ([www.npaaa.org](http://www.npaaa.org)) to view a listing of the individual scholarship winners. Make sure you visit the Walls of Honor and Halls of Fame where we have successfully enshrined 116 individual athletes and coaches, 17 championship teams, and one Lifetime Achievement individual. In addition, the NPAAA has reached a milestone of over 340+ members and growing every day.

Tonight we are honoring and inducting 9 individuals (1 Lifetime Achievement and 8 athletes), the 1995 & 1997 Girls PIAA State Championship Track and Field Teams, the 1996 Boys PIAA State Championship Water Polo Team, and the 1998 Girls PIAA State Championship Water Polo Team. In addition, we are giving "Special Recognition" to the 5 Bux-Mont League Championship Teams of the 1968-1969 academic year. This "Special Recognition" plaque will be displayed on the Sports Hall of Fame Wall of Honor.

All of these teams and individuals have demonstrated excellence through sacrifice, dedication, courage, hard work, and commitment. These values were instilled by coaches who dedicated their lives and careers to teaching athletes the cardinal virtues of ancient Greek philosophy: justice, prudence, temperance, and fortitude. These lessons of virtue develop individual character that shape and influence the rest of our lives. These inductees have excelled in their respective areas and serve as examples of what the teachers and

coaches of the North Penn School District have produced dating back to the 19<sup>th</sup> Century. They represent the history of North Penn High School athletics and academics, including the Legacy Schools. By providing future generations a documentation of our sports history, and now alumni career excellence, we not only provide a source of pride but also a standard to emulate. This history originated with our “Legacy Schools”: Hatfield High School, Lansdale High School, and North Wales High School, dating back to 1887. They were consolidated in 1955 to become North Penn High School.

At the conclusion of the induction ceremony, you are invited to a reception and refreshments to congratulate the inductees, reunite with classmates, teammates and meet new friends. By bringing together athletes, teams, and coaches spanning many decades, we hope to provide a forum and an opportunity to create an atmosphere for collegiality and reunion.

Finally, as President of the NPAAA I can only express sincere gratitude for the opportunity to work with the individuals who make up the NPAAA Board of Directors. These individuals enthusiastically volunteer their contributions, their talents, time, resources, and dedication to the mission of the NPAAA. This evening’s historic event is a result of a classic team effort. The virtues I mentioned before, regarding the inductees, most certainly apply to the NPAAA Board of Directors, Key Members, member donors, NPAAA Corporate Partners, and our NPAAA Hall of Fame Event Corporate Sponsors. They all deserve our appreciation for their efforts.

A very special thank you to Dr. Curtis Dietrich, Superintendent of North Penn School District, and his executive team. They have endorsed these initiatives from their inception and have provided the venue and overall support for all the NPAAA Hall of Fame Events.

Sincerely,

Thomas F. Strickland Jr.

August 2011

On behalf of the North Penn School District and Board of Education, I want to offer my congratulations to you, the inductees, as you enter the North Penn Alumni Athletic Association Hall of Fame. Your induction signifies our opportunity to recognize those athletes, teams and coaches who contributed to building the foundation of today's athletic programs at North Penn. We are proud and honored to recognize the past contributions of an exceptionally talented group of athletes and coaches.

As you may know, North Penn has been recognized by Sports Illustrated, not once but twice, as the #1 Athletic Program in the state of Pennsylvania and in the top 40 nationwide with over 45 state titles. This type of success is a result of years of outstanding athletics in the district and the community.

On May 16<sup>th</sup>, 2011 the NPAAA Board of Directors approved the expansion of its current mission to include establishing a "Lifetime Achievement Hall of Fame" at North Penn High School. The NPAA is now honoring North Penn High School and Legacy School graduates who have made significant contributions to society in the Arts, Sciences, Law, Medical, Business, Performing Arts, and Public Service or Education fields of endeavor.

Tonight it is our pleasure to bestow special recognition upon you, for not only participating in the North Penn Athletic Program but also for the outstanding personal contributions and lifetime achievements you have earned. Your honor is richly deserved and will always be remembered through the efforts of the North Penn Alumni Athletic Association.

Your inclusion on our "Wall of Fame" will serve now and into the future as an important and authentic role model for today's and tomorrow's students, making you, forever, a cherished member of our North Penn Family.

Once again, congratulations and thank you for your contributions!

Sincerely,

# A History of the North Penn School System

Dick Shearer

The roots of public education in the North Penn area predate the Civil War when simple one-room schoolhouses dotted the countryside. They offered schooling at the most basic level because all the primary grades were taught by a single teacher in that one-room environment. Students who wanted “higher” education had to travel to a town where advanced courses were available. As villages grew into larger boroughs in the 1880s, 12-year diploma programs were offered in these schools, and senior classes evolved – some with as few as a single student.

Lansdale School District was formed in 1871, a year before the community became an incorporated borough. In 1872, its first public school was built on East Main Street. The first graduating class in 1888 consisted of four students. The original school on Main Street was replaced by the larger Broad Street and Green Street schools in 1888 and 1899, respectively, but it was not until 1914 that the first Lansdale High School was built. An influx of new industries and affordable residential housing quickly pushed the high school building past capacity, and in 1930 the school board agreed to build a new high school on Penn Street, where there would be plenty of room for future expansion. Because of this foresight, the second Lansdale High School stood the test of time much better than its predecessor. Over a period of 40 years, the campus grew to serve a total of seven towns and townships in the region. When regional consolidation took place in 1955, the Penn Street school underwent a massive expansion project that more than doubled the size of the original school. In June 1955, the final Lansdale High School diplomas were awarded, and three months later North Penn High School was born.

Like Lansdale, Hatfield’s education system evolved from one-room schools into a larger school that began offering advanced grades during the 1890s. Hatfield Consolidated School District was formed in 1921 when residents of the borough and township agreed to erect a modern high school on the borough-township line in 1921. The new facility contained 19 rooms and was built on a 10 1/2-acre tract at Fairgrounds and Cowpath Roads. When the building opened in September 1922, it was the first six-year high school in this part of the state. A total of 492 students were brought together under the same roof, taught by a 15-member faculty. Hatfield High featured the largest auditorium and gymnasium between Philadelphia and the Lehigh Valley. Now the home of the Biblical Theological Seminary, Hatfield High School’s last graduates received their diplomas in 1955. The high school closed its doors on June 10, 1955, and in September, 1955, Hatfield’s underclassmen began attending the North Penn Joint High School in Lansdale.

Public education in North Wales also began with a one-room school located on Main Street that was built before the town was incorporated in 1869. The bustling young town soon outgrew its first schoolhouse and a new one was erected at Third and School Sts. By the 1890s that structure also proved inadequate and a three-story addition was built to house all 12 grades. North Wales held its first commencement in 1887 – with one student receiving a diploma. The School Street building was replaced in 1928 by what is now North Wales Elementary School on Summit Street. Like Lansdale and Hatfield,

North Wales became a part of the North Penn Jointure in 1955, ending the era of independent school districts – and high schools – in each town.

To come full circle, the post-World War II construction boom impacted the once rural townships of Hatfield, Montgomery, Upper Gwynedd and Towamencin much like the rapid growth the borough experienced a half-century earlier. The venerable Lansdale/North Penn High School was no longer able to contain the influx of new students. In 1971 a new, massive high school campus was built in Towamencin, and Penn Street was converted into what is now Penndale Middle School.

## A History of the North Penn Alumni Athletic Association Hall of Fame

The NPAAA was founded in the year 2000 with a mission to uphold the standards and prestige of the North Penn High School athletic program and to encourage and promote higher education through scholarship awards to those student athletes who demonstrate courage and sacrifice during their athletic careers.

The NPAAA expanded its mission in 2004 when a decision was made by the Board of Directors to establish a Sports Hall of Fame to recognize those alumni from North Penn High School and its legacy schools who best exemplified those high standards while participating in athletics in high school.

After the NPAAA voted to initiate an athletic Hall of Fame, the Board of Directors proceeded with defining its vision. First, the NPAAA had to establish a criteria and guidelines to provide a systematic methodology for selecting inductees. Once that was established, the NPAAA established three committees: one to research, prioritize and select the inductees; a second to determine appropriate inductee awards and method of recognition; and a third to initiate a fundraising campaign to provide the monies necessary to support the NPAAA's dual mission of scholarship awards and athletic recognition.

The mission of the NPAAA is sustained by a desire to provide future generations with a historical record of the outstanding student athletes and teams representing North Penn High School and its legacy schools (Hatfield High School, Lansdale High School, and North Wales High School). This history, which provides both a source of pride and a standard to emulate, dates back to 1887.

On October 8, 2005, the NPAAA hosted its Inaugural Hall of Fame Induction Ceremony at North Penn High School. Fifty-two athletes (spanning eight decades) and one team were inducted. The ceremony was attended by several hundred people and included the enthusiastic endorsement and participation of North Penn School District Officials. A program was provided that included the history of the schools, a history of the team inducted, and profiles of the inducted athletes. An announcement was made at this event about plans to establish a permanent Hall of Fame in North Penn High School. This initiative was presented to North Penn High School District Officials and was enthusiastically approved.

A fundraising campaign was initiated immediately following the Inaugural Hall of Fame Induction Event and by mid-August 2006, the NPAAA raised sufficient funding to proceed with the creation of the Hall of Fame. A vendor was selected to provide the raised metal plaques that would be installed in North Penn High School, and plans were finalized for the Second Annual NPAAA Hall of Fame Event.

The Hall of Fame was dedicated and unveiled at the Second Annual NPAAA Hall of Fame Event on October 14, 2006. The NPAAA continues to raise funds to support the annual cost of adding the new inductees plaques to the wall.

# Special Recognition for 1969 “Class of Champions”

In the Fall of 1968, the Cross Country team began the “Parade of Championships” immortalized by the outstanding athletes of the Class of 1969. Adding further accolades, a second team championship was added by the Soccer team. The Football team completed the Fall Trifecta in November. The winter season concluded with no championships, but two teams - Wrestling and Girls’ Basketball - placed second in the Bux-Mont League standings. Continuing where the fall championship teams left off, two spring teams - Baseball and Track & Field - continued athletic dominance by garnering the Class of 1969’s fourth and fifth Bux-Mont titles.

## **1968 Cross Country, Bux-Mont Champions**

The North Penn Cross Country team, coached by Jim Gulick, set the stage for what turned out to be a “Class of Champions”. The Cross Country team ended the season with a 10-1-1 record, a perfect 9-0 in the Bux-Mont League. In nine years of Bux-Mont competition the North Penn Harriers had won 85 consecutive dual meets. The 1968 Cross Country team was led by Sam Ruth’s ninth place finish at the District One Championship and the Knights finished ninth in team competition. Senior co-captains Don Gehman and Frank Joseph provided strong leadership to a talented group of runners.

To illustrate how strong this team was, consider this statistic: with 15 points being the lowest amount of points a team could score, North Penn averaged 20.6 points to their opponents’ 39.5 points.

End of the year awards went to the following: NPHS Most Valuable Harrier - Sam Ruth; NPHS Most Improved - Mike Hagan; Outstanding Sophomore Award - Dave Kennedy.

**Letter Winners:** Ron Beyer, Kris Clugston, Donald Fuesner, Don Gehmann, Mike Hagan, Michael Hamme, Frank Joseph, David Kennedy, Robert Kohlman, John Miller, Paul Ormand, Terry Pavlichko, Sam Ruth, Robert Siffel, Glenn Yeakel

## 1968 Soccer, Bux-Mont Champions by Ron Quinn and Steve Konsowitz

The 1968-69 soccer season ended with a record of 5-1-1, and it represented the second championship for a North Penn team this year. The top position however was not easily attained since the Booters were forced into a double overtime situation in the playoff against Pennridge. Both periods ended in ties. Hence, our boys gained the coveted title strictly with corner kicks, terminating with a tally of, 7-2.

The Booters started the season with a scrimmage victory over Plymouth Whitmarsh, 4-3, but lost some ground when they tied William Tennent, 1-1, and Wissakickon, 3-3. North Penn was not a team to be denied, however. They romped through the season trampling six teams in succession. The first to be stumped was Pennridge, 6-2. Abington was next on the agenda with North Penn's tally of, 4-2. The Booters found Souderton more difficult when forced into two overtimes. But co-captain Bud Bauscher pulled through to boot the deciding goal and topple Souderton, 3-2. The next three were less difficult when they shut out Hatboro- Horsham, 3-0, and Central Bucks, 1-0, and then dumped Quakertown, 5-1. The next two teams gave North Penn a run for the title, Springfield being the only one to defeat North Penn by the slight margin of 2-1. Non-league Methacton also halted the Knights by a score of 1-1, although it was not easily accomplished. Even though our boys triumphed over Pennridge, 7-2, to win the Bux-Mont Title, the Knights were barred in the first round of the district playoffs when defeated by Lower Merion, 2-0, which later went on to become state champions. Since our Booters were defeated in the districts, they proudly came home with the Bux-Mont soccer championship, being the second number one team for North Penn this year.

**Letter Winners:** Robert Baker, Helmut "Bud" Bauscher, Wolfgang "Butch" Bauscher, Steve Brittin, Mike Buck, John Bush, Mike Cash, Michael Goetter, Greg Kobasa, Steve Konsowitz, Dana Kulp, Andy Kusma, Robert Luz, Gerry McGaughran, Jeff Munzinger, Ed Ottenheimer, David Pool, Ron Quinn, Dan Whipp.

## 1968 Football, Bux-Mont League Co-Champs

Coach Al Brodhag's Knights sat in the middle of the pack at 1-1 after a heartbreaking one point loss to Pennridge, then caught fire and ran the table en route to a 7-1 league season and the first Bux-Mont League championship for North Penn football since 1948. Key wins during the streak included beating Springfield on their home field. Springfield may have ended up sharing the title but were clearly denied the bragging rights. And, the season ending thrashing of defending champion Central Bucks on Thanksgiving Day not only brought home the trophy, but gave Bucks' coach Mike Pettine his worst defeat in his Hall of Fame career. Over 7,000 fans packed the stadium in Lansdale and most stayed to watch the east goal post torn down!

**Letter Winners:** John Weierman, Jim Decembrino, Bill Rodenhaver, Larry Fritz, David Willard, Randy Iles, Todd Werner, Sam Feldi, Steve Curley, Mike Bonner, Ralph Mascola, Bob Landis, Ken Brenninger, Bill Mc Farland, Vince Hubler, Bob Stewart, Bill Clugston, Tom Ziegler, Bob Johnson, Ed Banes, Scott Finkbeiner, Dan Hodum, Bruce Gouldy, Dick Henry, Glenn Trembath, Greg Shultz, Jim Heimer, John Davidson, Bob Hanna, Bob Nelson, Bill Ruccius, Bruce Reinert, Bob Hallman, Dave Mudri, Doug Dreisbach, Francis Dilworth, Paul Alaman, Allen Bartlebaugh, Evan Rudge, Doug Mininger, Don Sheaffer, Paul Daniels, Dwight Hunsberger, Kurt Nase, Mike Prediger, Gene Jasin, Mike Smith, Tim Smith; Managers: Barry Wert, Dale Morlock, Phil Ward, Bob Davis

## 1969 Baseball Team, Tri-Champion

As the North Penn Baseball team prepared for the 1969 season, it faced an up-hill battle to return to the top of the Bux-Mont League. To begin the 1969 season, the starting pitchers were Eric Stout (Senior), Bob Hollenshead (Junior), and Larry Fritz (Sophomore). Half-way through the Bux-mont League Schedule, Senior Don Sheaffer did some effective pitching in relief, as well as a start or two. The pitcher with an outstanding year was Junior Bob Hollenshead (5-2 with 1.47 ERA), throwing a no-hitter against Pennridge (2-1) and striking out 16 batters in the last game of the season against Souderton (4-2). Five regular players hit over .300: Bill Rodenhaver (.348); Bob Rank (.348); Mike Goetter (.346); Bruce Reinert (.346); and Ed Oswald (.318). Seven members of the team received All Bux-Mont Honors: Second Team: Pitcher, Bob Hollenshead (Junior) (5-2); 1st Base, Bruce Reinert (Senior); Honorable Mention: Short Stop, Ed Oswald; Outfield, Mike Goetter; Outfield, Bob Rank; C - 3rd Base, Chuck Grindle; Outfield, Bill Rodenhaver

**Letter Winners:** Bill Rodenhaver, Bob Rank, Mike Goetter, Bruce Reinert, Ed Oswald, Bob Hollenshead, Larry Fritz, Tim Smith, Chuck Grindle, John Bush, Bob Madtes, Don Shaeffer, Paul Alaman, Bruce Atwood, Bruce Bach, Ken Brenninger, Rick Chunko, Mike Colavita, Lou Corrado, Dwight Hunsberger, Dana Kulp, Bob Marschhausen, Doug Minninger, John Morrow, Jim Reigel, Lee Saverio, Elmer Stephens, Bob Weber

## 1969 Track and Field Bux-Mont and District One Champions

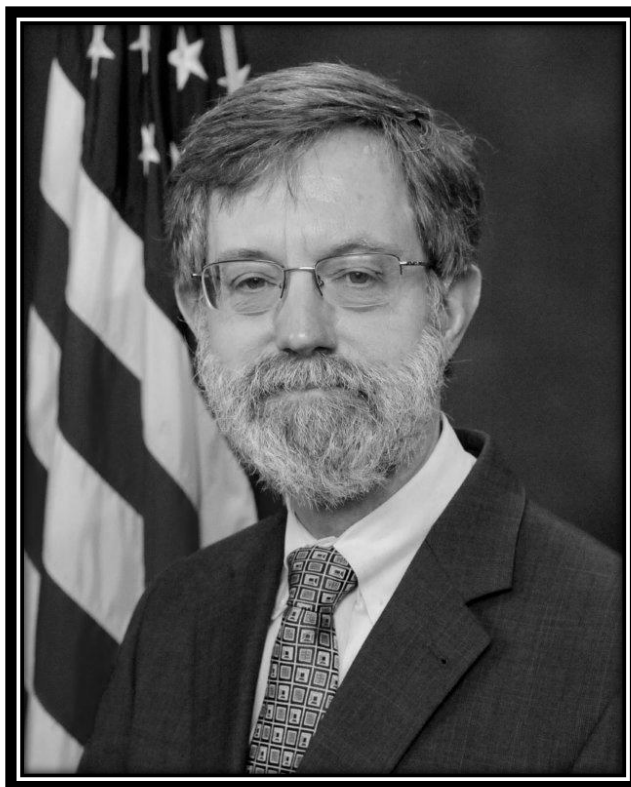

Under the tutelage of legendary Track Coach James B. Crawford, the 1969 Track and Field team ran, jumped and threw their way to North Penn's 22<sup>nd</sup> consecutive Bux-Mont League Championship finishing dual meet action with an 11-0-0 record. The Track and Field team continued their dominance by winning 10 of 18 events and placing first at the Bux-Mont League Championship meet. Outstanding individual performances by Bill Clugston, 100, 200, 440; John Miller, high jump, long jump, triple jump; Vince Hubler, discus, javelin and George Carnall, pole vault, along with the 880 relay team assured the team a victory.

Following the league championship, the Knights continued to showcase their talent at the District One Track and Field Championship. When the dust settled and the sun set, North Penn walked away with the District One title accumulating 36 points. The closest team to them was Abington, tallying 31 points. Bill Clugston continued his dominance on the cinders by winning the 100 and 220 yard dashes in addition to placing second in the 440. Also medaling were John Miller, Vince Hubler, Andy Kusma, John Kulp and the 880 Relay Team. North Penn moved onto States following their District One Championship. It was there that Bill Clugston put North Penn on the map by sprinting to a state championship in the 220 yd dash. His winning time, 21.2 seconds, tied the state record. Also medaling for North Penn were John Miller, long jump - 4<sup>th</sup> place and Vince Hubler, javelin - 6<sup>th</sup> place.

At the conclusion of the 1969 Track and Field season Coach Crawford announced his retirement. Coach Crawford will forever be remembered for what he accomplished as North Penn's Track and Field coach. His dedication to the teams he coached throughout his illustrious career will never be forgotten.

## 2011 NPAAA Hall of Fame Inductees

Ed was on the Track and Field Team at North Penn, running sprint events. Ed is especially grateful to this day for the calm coaching and encouragement Coach Crawford gave him, even though Ed was not a star runner on the team, and for the discipline he learned as a result. Ed also was on the Cross-Country Team, played in the Band, and was literary editor of the *Accolade*. Ed's experience at North Penn – in academics, athletics, other extra-curricular activities, school spirit, mentoring by teachers like Ken Weir, and lasting friendships – formed a strong foundation for his life. Ed had deeper roots at North Penn too: his father, Harry Kneedler, taught and coached in Lansdale in the late 1930s and early 1940s, and his mother, Isabella Jones, taught and was a guidance counselor in Lansdale and at North Penn for almost 30 years.

After graduating from North Penn in 1963, Ed attended Lehigh University, where he received a B.S. in Economics in 1967. Ed served as a VISTA Volunteer from 1968 to 1971, first at a Job Corps Center for disadvantaged youth in Eastern Oregon, and then with a program for migrant farm workers in Western Oregon.

Impressed with the work lawyers had done on behalf of migrant farm workers, and encouraged by his brother Lane (NPHS '59), who is a lawyer, Ed decided to pursue a career in the law and attended the University of Virginia Law School from 1971 to 1974. After earning his J.D., he served for a year as a law clerk for Judge James Browning of the U.S. Court of Appeals for the Ninth Circuit. From 1975 to the present, Ed has worked in the U.S. Department of Justice in Washington. He first served in the Department's Office of Legal Counsel (OLC), which at that time was headed by now-Supreme Court Justice Antonin Scalia. OLC advises the President, the Attorney General, and federal agencies on various legal issues.

Since 1979, Ed has been in the Office of the Solicitor General, which represents the United States Government before the U.S. Supreme Court. He has been a Deputy Solicitor General since 1993, and served as Acting Solicitor General of the United States in 2009, prior to the appointment of now-Supreme Court Justice Elena Kagan to be Solicitor General. Ed has argued 113 cases before the Supreme Court, more than any other lawyer in active practice. Ed's responsibilities cover a range of issues in federal government cases before the Supreme Court, including the separation of powers under the Constitution, the First Amendment, international law, Indian law, public land and water law, ERISA, health care, and Medicare and other government benefit programs. Ed has argued a number of cases on behalf of the federal government in the lower federal courts as well, including most recently the suit brought by the United States to challenge the Arizona immigration statute as inconsistent with the federal government's responsibilities. Ed is now also assisting in the Justice Department's defense in court of the constitutionality of the health care reform legislation, the Affordable Care Act.

Ed regards it as a real privilege to have worked for the Department of Justice and to have represented the United States in court for his career. Ed's wife Lynn has been a loving and supportive companion for 39 years. They met while Ed was serving as a VISTA Volunteer, and she now works for the Peace Corps. Lynn and Ed have two daughters, Jennie, who is a lawyer in the Civil Division of the Department of Justice, and Anne, who with her husband Sam lives in Minneapolis and works for Cargill Corporation.

# 1996 BOYS WATER POLO TEAM

## PIAA State Champion

The 1996 Boys Water Polo season began with much anticipation as the team certainly fielded the strongest cast of players in its brief school's history. Team members realized that they were a strong favorite over league rivals Souderton and Wissahickon and were looking forward to a strong showing in November at the State Tournament.

During the regular season the Knights compiled a 16-4 record. The team cruised through the Eastern Division with an untarnished record leading them to the Division Title. The Knights lost two matches at the prestigious Beast of the East Tournament to Wilson, West Lawn and eastern power, Greenwich, Connecticut. The Knights lost later that week to the Mifflin Mustangs and again in the season to the Bulldogs of Wilson.

The team still believed they had the ability to compete with the best, even though few others felt the same way. The team opened the State Tournament with strong victories including a close semifinal 9-8 victory over the Mifflin Mustangs. Many thought the semifinal was the highlight of the tournament as most water polo supporters had Wilson winning the final game and earning its 10th consecutive State Title. As expected the Bulldogs jumped out to a 5-1 lead and seemed to be on their way to an easy victory. Then it all began to change, and the Knights were on a roll. When the middle of period three began, the teams were deadlocked at nine a piece. The stands and deck were packed, and the noise in the natatorium was deafening. The atmosphere certainly favored the Knights as most wanted to see the Bulldog's State Title streak end. The fourth period was a nail biter, and with 10 seconds left in the game, the Bulldogs had the ball with a chance to tie. The attempt was blocked, and the natatorium erupted as the Knights seemed to pull the upset that only they thought possible.

When all said and done, many realized that the title was no fluke as the team was loaded with talent. Team captains Steve Johnston and Jeff Faikish earned 2nd Team All American Honors and 5th Team All- American Honors, respectively. Steve and Jeff also received 1st Team All-State Honors.

Joining these two on the All State team were Kevin Rader and Eric Umaluf earning 2nd Team All-State Honors and Sylvo Szabo, Mike McPeak and Ryan McGrath earning 3rd Team All- State Honors.

Later that school year the 1996 Boys Swimming Team won the 1996-97 PIAA State Swimming Championship. At the present time, no other North Penn Girls or Boys Water Polo / Swim Team had captured both titles in the same school year.

# 1997 NORTH PENN HIGH SCHOOL GIRLS TRACK TEAM

## Undeclared Suburban One League Champion

### District One Champion

### PIAA AAA State Champion

Bundles of blue flying around the four hundred meter oval, leaving competitors with nothing but their dust to remember them by, the girls track team ruled. During the '95 season, the team won its first state title. The feat was celebrated as the team felt that the chances of repeating were slim. Little did anyone know that only two years later, the '97 Maidens would do just that.

Led by seniors Jessica Franks and Beth George, the only two remaining members of the '95 team, the '97 team was dominant early and often. Throughout the regular season, their closest competitor was Truman who scored 51 points to NP's 90. Devastating all opponents with a balanced attack in all events, the girls won the league championship by beating second place Truman by over one hundred points.

At the Penn Relays, the 4X800m relay team of Tiffany Huff, Cheryl Smith, Jess Franks and Beth George ran the current fastest time in the Nation when they won their heat with a school record 9:08. They finished sixth in the Championship of America. The 400m relay team of Nia Campbell, Cheryl, Jess, and Beth won their hat with a new school record and were fourth in the Philadelphia Area Championship.

The team won the District One title by less than two points. Gold medal winners were the 4X800m relay team and Beth George in the 1600 meters. Jess Franks placed second in the 400 meter, as did Beth in the 800 meters and in the 4X400m relay. Jess Franks also earned third place in the 200 meters. Amaka Eneanya and Yvette Wisher threw discus and shot put respectively to fourth place finishes.

"Winning Districts by such a close margin shows the importance of everyone's effort," noted junior Kristen Welsh who competed in the 1600 meters and 3200 meters at Districts.

The season's grand finale came when the girls won States by one point. Jess Franks was seventh in the 200 meters; the 4X400m relay team ran to a third place finish, and Beth George was third in the 800 meters. State Champions were the 4X800m relay team, Beth in the 1600 meters and Jess in the 400 meters.

"Winning the 400 at states avenged my loss from the week before," declared Franks. All agreed this was one of the most successful seasons ever.

# 1998 GIRLS WATER POLO TEAM

## PIAA State Champion

The 1998 girls' water polo team entered the season with high hopes of achieving a longtime goal of the school's program: to be the best team in the state. This team of hard-working, dedicated, and passionate players succeeded, beating state perennial powerhouse, Cumberland Valley, 13-8 in the state championship game.

Throughout the season, the Maidens cruised to a 20-1 regular season record, with their only loss to Cumberland Valley. The Maidens were victorious against all league opponents and named the Southern Division League Champions. The team entered the state qualifier tournament with confidence, and ended the tournament with a first place seed at the state championship tournament after beating Souderton (11-1), Wilson (7-5), and the reigning state champions, Cumberland Valley (5-3).

The Maidens had one goal in their mind, reaching the state championship tournament, but focused on each individual game. The Maidens outscored the Wilson Bulldogs 10-1 to advance to the championship game. Entering the game, Cumberland Valley had one mission: shut down North Penn's two meter offense. The offensive pressure rested solely on the shoulders of the Maiden's perimeter players. It did not take very long for Cumberland Valley to realize the Maidens were up to the task. North Penn jumped out to an early lead and never looked back. The rest is history as the North Penn Maidens went on to win their first state championship title, defeating Cumberland Valley, 13-8.

In addition to winning the school's first womens state championship title, several players were awarded with individual accolades. Andrea Umlauf and Laura DiLuigi earned 2nd team All American status, and 5th team All American status, respectively. Denise Labold, Laura DiLuigi, and Andrea Umlauf received 1st team All State honors; Monica Hachen received 2nd team All State honors; and Ashley Jernigan received 3rd team All State honors.

# Alma Maters

## Lansdale High School

Oh Lansdale High, we'll sing to thee,  
To Thee our cheers will rise,  
We'll strive for thee with loyalty,  
We'll honor Lansdale High!

When high school days have passed away,  
And we fore'er must part,  
That fervent love for thee holds sway  
Within each student's heart.

Then let us gather once again,  
Before we say good-bye,  
To sing once more that sweet refrain:  
We'll honor Lansdale High!

### **Chorus**

We'll love thee, Lansdale High,  
We'll praise thee, Lansdale High,  
We'll think of thee, wher'er we be.  
We'll honor Lansdale High

## Hatfield High School

(Tune: MacNamara's Band)

Oh, we pledge our loyalty and love for  
Alma Mater dear;  
Each faithful heart shall play its part  
With fellowship and cheer.  
Maintain the right, uphold the light,  
Apply the Golden Rule.  
Amid the strife and stress of life,  
We sing for Hatfield School.  
Go forth each lad and lassie  
When you hear the duty call.  
In age or youth proclaim the truth,  
And you shall never fall.  
Then forth we'll go proudly to show  
That we have never lacked  
The sportsmanship and courage  
That stand for the "Orange and Black."

*RICHARD OTT AND FAMILY*

## North Wales High School

Dear North Wales High....  
We sing your praise and glory....  
Dear North Wales High....  
Our Alma Mater true....  
With you we'll stand forever true and loyal....  
We're with you in defeat or victory....  
We'll sing a praise of love and honor for you....  
And may our lives be credit to your name.

## North Penn High School

As knights who in the olden times  
Would pledge their loyalty  
To keep their honor shining  
and ever true to be.

We entered here at North Penn High  
With hearts resolved to dare.  
Our noblest aim to bring to fame  
our Alma Mater fair.

While yet we linger in the halls  
And on the campus too,  
We'll keep our colors living,  
The navy and the blue.  
Thru all our years at North Penn High  
We'll fervently declare  
To love profound that circles round  
Our Alma Mater fair.

When we have left familiar ways,  
With friends have had to part;  
And school days are a mem'ry  
Deep in each separate heart;  
Then we shall think of North Penn High  
How once we gathered here,  
How often praised with voices raised  
Our Alma Mater fair.
